Appln. No. 09/771,008
Amdt. dated June 4, 2004
Reply to Office Action of December 4, 2003

PATENT

Amendments to the Specification:

Please replace the paragraph on page 9, lines 9-12, with the following amended paragraph:

--   It is then possible to label a Local Dataset 104 selected from the Global Data 102. First, the Local Dataset is selected (Step 3) to yield a Selected Local Dataset 108. Then the Global Classifier 106 is used to provide an initial tentative labeling of the Local Dataset 110 (Step 4). --
